

Palau Home 1/3

Meeting S/M/L
Phonebooth single/duo

People more and more decide for themselves where and how to work. Flexible workspace and informal open meeting places gain in importance. Palau responds to this changing spirit of the time by developing multifunctional furniture with a broad range of possibilities.

Palau home is a private workspace suitable for small meetings, individual or collective concentrated working. It is a sound absorbing flexible office that can be upholstered in many different fabrics.

Palau Home 2/3

Palau Home is available in three sizes. The Medium and Large are available with or without sofa.

Foam Fabric: The 2 panels next to the window are equipped with pyramidal shaped 3D foam.

Ventilation: Provisions to connect to a central ventilation system included. Standalone ventilation system, on request.
