General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1
- WT = weight

In compliance with the highest quality standards "Quality is irreplaceable." Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch+Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

Seating
All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335-1
- WT = weight

The DIN seat height was determined acc. to DIN EN 1335-1, i.e. the seat height measured by means of a measuring device at the position of the ischial tuberosity (sitting bones) after having placed a load of 50 kg on the half width of the seat.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1
- WT = weight

In compliance with the highest quality standards "Quality is irreplaceable." Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1

In compliance with the highest quality standards “Quality is irreplaceable.” Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1

In compliance with the highest quality standards “Quality is irreplaceable.” Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

In compliance with the highest quality standards “Quality is irreplaceable.” Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Arn chair on four wooden legs, hygienic version

Seat and backrest made of plastic with high antibacterial properties.
Frame: 4 legs made of solid beech wood mounted to plastic chassis,
with or without armrests, stackable, plastic glides.
Chair structure adapted to hygiene requirements - tight sealing lip between chassis and the seat protects against the ingress of fluids and pollution.
Dirt-repellent, pore-free wooden and plastic surfaces.
All surfaces easily accessible for cleaning or disinfection.

Arn chair on four metal legs

Seat and backrest made of plastic with high antibacterial properties.
Frame: 4 aluminium legs mounted to plastic chassis,
with or without armrests, stackable, plastic glides.
Chair structure adapted to hygiene requirements - tight sealing lip between chassis and the seat protects against the ingress of fluids and pollution.
Dirt-repellent, pore-free metal and plastic surfaces.
All surfaces easily accessible for cleaning or disinfection.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1

In compliance with the highest quality standards “Quality is irreplaceable.” Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

* MFC panel with the formaldehyde emissivity reduced by half, compared to the European standard E1 (meeting the requirements of the new German regulation concerning the emission of formaldehyde by wood-based materials, valid from 01.01.2020).
** Laminate finish colour matching melamine colour.

General notes

All specified dimensions are approximate and they can vary depending on the selected product configuration. Subject to minor modifications or differences for reasons of design improvements or for technical reasons, we reserve the right to implement design changes to products.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN* = seat height measured acc. to DIN EN 1335–1

Leather upholstered product
Leather is a natural product.
Visible wrinkles, scares, or any other marks are not defects, therefore they are not covered by the warranty and are not subject to complaint.

In compliance with the highest quality standards
We take care of the highest quality of applied solutions, both at design stage as well as materials and components supplies, production, quality control and distribution of our products.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Ask about FSC certified products.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at
https://www.kusch.com/de/garantieleistungen.

* The seat height was determined acc. to DIN EN 1335–1, i.e. the seat height measured by means of a measuring device at the position of the ischial tuberosity (sitting bones) after having placed a load of 50 kg on the half width of the seat.

* MFC panel with the formaldehyde emissivity reduced by half, compared to the European standard E1 (meeting the requirements of the new German regulation concerning the emission of formaldehyde by wood-based materials, valid from 01.01.2020).
** Laminate finish colour matching melamine colour.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1

In compliance with the highest quality standards "Quality is irreplaceable." Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1

In compliance with the highest quality standards “Quality is irreplaceable.” Guided by this principle, each product line is subjected to stringent quality testing.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1

In compliance with the highest quality standards “Quality is irreplaceable.” Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1

In compliance with the highest quality standards “Quality is irreplaceable.” Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1

In compliance with the highest quality standards “Quality is irreplaceable.” Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1

In compliance with the highest quality standards “Quality is irreplaceable.” Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

Office swivel chair with enhanced hygienic properties

The ergonomic swivel chair fulfilling the highest cleanliness and hygiene requirements. Easily accessible, large surfaces that are easy to clean and disinfect. Seat and backrest are fully upholstered. Seat with seamless upholstery, additionally equipped with a protective profile to prevent the upholstery from mechanical damage. Upholstery robust, impervious to liquids and resistant to disinfectants. The flexibility of the height adjustable backrest works well even in cramped working areas, not limiting the rotation of the upper body. Synchronous mechanism with seat depth adjustment, comfort gas action with permanent depth cushioning. Base and backrest support made of plastic. All plastic parts are in black colour.
Options: headrest, 2D or 3D armrests

- WT = weight

In compliance with the highest quality standards "Quality is irreplaceable." Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1
- WT = weight

In compliance with the highest quality standards “Quality is irreplaceable.” Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1
- WT = weight

In compliance with the highest quality standards "Quality is irreplaceable." Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1
- WT = weight

In compliance with the highest quality standards "Quality is irreplaceable." Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1
- WT = weight

In compliance with the highest quality standards "Quality is irreplaceable." Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1
- WT = weight

In compliance with the highest quality standards "Quality is irreplaceable." Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1
- WT = weight

In compliance with the highest quality standards "Quality is irreplaceable." Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1
- WT = weight

In compliance with the highest quality standards "Quality is irreplaceable." Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- W = width
- D = depth
- H = height
- DI = diameter
- SH = seat height
- SH DIN = seat height measured acc. to DIN EN 1335–1
- WT = weight

In compliance with the highest quality standards “Quality is irreplaceable.” Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/de/garantieleistungen.

General notes

All specified dimensions are approximate. Subject to minor modifications or differences for reasons of design improvements or for technical reasons.

- WT = weight

In compliance with the highest quality standards “Quality is irreplaceable.” Guided by this principle, each product line is subjected to stringent quality testing.

Only the products marked in this document are FSC® (FSC-C155352) certified.
Sale of products that meet the FSC requirements is possible only by Nowy Styl Sp. z o.o., Nowy Styl Nederland B.V. and Kusch + Co GmbH.

The FSC certificate applies to responsible forest management and the entire flow of raw materials from the forest to the customer. Each stage of the chain is monitored in terms of social, ecological and economic performance. The product with the FSC label gives customers a guarantee that the wood used for the production of the product comes from sources managed in a sustainable manner.

Warranty
Manufacturer declares that the products shall be free from defects in material or workmanship.
The warranty is given to the original purchaser only, for normal commercial usage.
Detailed terms of warranty and warranty periods are available at https://www.kusch.com/en/warranty

05/2023 EN Valid from May 2023 subject to technical modifications/colour variations.
